

MSc Progress Report presentation seminar

You are invited to attend a MSc Progress Report presentation seminar to be given by Mr. George Tarus, a MSc (Climate Change) student, scheduled for Wednesday 19, April 2017.

The seminar will be held in the Synoptic Laboratory, Department of Meteorology, CBPS at 2.45 pm.

The title of the presentation is: "MODELLING IMPACTS OF CLIMATE CHANGE ON TREE BIOMASS IN ARABUKO SOKOKE FOREST RESERVE".

Looking forward to your participation.

Dr. A. O. Opere
Chairman
Department of Meteorology
