Director, CASELAP  
Dean, School of Physical Science  
Dean, Faculty of Agriculture  
Director, Institute of Nuclear Science and Technology  
Director, ICCA

**SUBJECT: UON PARTICIPATION IN THE NATIONAL SCIENCE WEEK – 22<sup>ND</sup> - 26<sup>TH</sup> MAY 2017**

Preparation for the National Science Week 2017 is underway and UoN, JKUAT and KU are included in the planning Committee. The theme for this year's Science Week is Research, Science, Technology and Innovation to address Climate Change. The Emphasis is on Climate change and health; indigenous knowledge and food security; social sciences and sustainable co-existence; drought and food preparedness; and climate change and energy.

This is to request that you plan to showcase some of the innovative work from your unit that fall within the theme and specific focus areas.

Attached is a copy of the invitation from NACOSTI for your reference.

My office will be the focal point for organising for UoN participation. Please do not hesitate to contact my office for clarification or further information.

Kindly consider and approve.
